

**The business incubator
with newcomer entrepreneurs**

Applications are now open for the second round of Ideas in Motion!

[APPLY HERE](#)

Deadline: October 31, 2017

What? Ideas in Motion is an innovative business incubation program that specifically supports newcomer entrepreneurs who want to bring their project idea into reality. Our 5 core services are: business model design, business skills, professional mentoring, networking, legal and financial guidance.

Who? We are looking for motivated and dynamic newcomer entrepreneurs who have a business idea that they would like to bring to reality. Our program is designed for and with entrepreneurs who have experienced forced migration. At least one team member must be able to legally found a business in Germany.

When? The program has 2 parts: The Idea Phase (November to December 2017) and the Incubation Phase (January to May 2018). You must participate in the Idea Phase to be able to join the Incubation Phase. The top 10-15 entrepreneurs who successfully complete the Idea Phase will be invited to continue into the Incubation Phase.

Find out more by joining us at an information event! Check our Facebook at facebook.com/IdeasInMotionBerlin for the next event.
